No.

No.

I have no faith in the United Nations to address any major issue facing America.

Page 4.

No.

I do not believe the United Nations possible impact on Climate Change would be anything more than a way to tax the American people.

No.

I have no faith in the United Nations Security Council.

Page 5.

No.

No.

We need to reduce our funding of the United Nations.

No.

Page 6.

No.

I believe we need to be spending our efforts here at home first. Let the NGO's do the charity work.
