Dear Mr. Dimoff & Ms. Derrick:

Thank you for your interest in our campaign for Congress.

I support the Better World Campaign's goal of building a stronger relationship between the U. S. and UN through outreach, communications and advocacy. International cooperation can help lead to solutions of global problems. Such focus can also assist us in the mission of our own national security.

I appreciate your efforts and look forward to the opportunity of working with you.

Sincerely,

John Dicks
