Dear Better World Campaign:

While we recognize the importance for committees to have a clear understanding of candidate's positions on the issues, we have not responded to questionnaires for many years.

In order for them to have any real meaning they should be responded to by the candidate. Ike's schedule simply does not allow him to take the time to respond to the many questionnaires received weekly at the Skelton for Congress Committee. Rather, he encourages you to look at the public record he has established over his long service in the United States Congress and earlier in the Missouri State Senate.

We hope the examination of his record will allow you to support the reelection effort for Congressman Skelton.

Sincerely,

IKE SKELTON FOR CONGRESS COMMITTEE

Assistant Treasurer
