

**JOHN M. McHUGH**  
MEMBER OF CONGRESS

June 10, 2008

Dear Mr. Dimoff:

Thank you for your correspondence regarding the United Nations Association of the United States of America. I appreciate your interest and welcome the opportunity to respond.

As you can imagine, every week I receive literally dozens of similar questionnaires from an increasingly wide range of organizations. While all of these mailings represent very legitimate interests, time simply does not permit me to give these inquiries the full and thoughtful response they deserve.

Let me assure you that this reply is not intended to indicate a lack of concern regarding the issues outlined in the questionnaire. To the contrary, during my nearly eight terms in Congress I have worked hard to respond to the needs of all residents of my district. In that regard, you may view my voting record by visiting the U.S. House of Representatives' Office of the Clerk's website at <http://clerk.house.gov/legislative/legvotes.html>. To learn where I stand on a host of important issues, I would encourage you to visit the legislative page of my website, at <http://mchugh.house.gov/Issues/>.

I appreciate your understanding in this matter and applaud your continuing participation in our governmental process. I hope this information is helpful to you as you proceed to evaluate my record. Toward that end, I would welcome the opportunity to discuss these or any other issues personally. Please feel free to contact me at any time through my Washington office at (202) 225-4611.

With best wishes, I am

Sincerely yours,

John M. McHugh  
Member of Congress
