(e.g provides employment; empowers women; income diversification)

3.4 How has the enterprise monitored its ability to provide these benefits?

## SECTION 4 – Request

### Project Benefits

4.1 Briefly list the key points that make your organization a compelling project for WH-LEEP:

*Please describe in detail how your organization will contribute to each of the following categories:*

4.2 **Business Impact:** (Please include how a WH-LEEP grant/loan is expected to improve your organization's operations)

4.3 **Conservation Impact:** (Please include how a WH-LEEP grant/loan will support biodiversity conservation in the short-term and the long-term, and how many hectares will be impacted by your project's commitment to the environment, etc.)

**4.4 Socio-Economic Impact:** (Please describe the community involvement in your project, benefits people in the community will achieve, support for less advantaged groups, alternative income generation etc.)

## SECTION 5 – Grant and Loan Request

*Please note: Funds may not be used to directly fund government agency activities. In addition, they may not be used for the purchase of land, involuntary resettlement of people, the capitalization of a trust fund or the alteration of any physical cultural property. If your proposed project involves any of these, we are not in a position to fund your proposal*

<b>Grant Request</b>
5.1 Anticipated Amount (not to exceed US\$10,000 per enterprise) NOTE: Value is in-kind. Services to be provided by EDS provider.
5.2 What is the specific purpose for the grant amount?
5.3 How was this purpose identified and prioritized?

5.4 Does a BDS provider exist who would be capable of providing the necessary support? If yes, please provide contact details and information regarding their capacity.

**Loan Request**

5.5 Amount (not to exceed US\$50,000 per enterprise)

5.6 What is the specific purpose for the loan amount?

5.7 How was this purpose identified and prioritized?

5.8 What collateral / security exists to secure the loan?

5.9 How will the enterprise repay the loan?

<b>Other Funding information</b>
5.10 Identify the amounts and sources of any other funding already secured to be directed to this project in the past 24 months, and what they were used for.
5.11 The total budget for this project from all funding sources:
5.12 The amount of the organization’s contributions to be directed to this project and the explanation of how this has been calculated:

**SECTION 6 – Safeguard Policy Analysis**

<b>Safeguard Policy Aspects</b>
<i>If the answer to one or more of the following questions is marked Yes, please summarize the potential impacts and how these might be avoided or mitigated. Please be aware that we may ask applicants for additional information and project documentation if the project possesses the potential to trigger Safeguard Policies.</i>
6.1 Will the proposed project involve activities that are likely to have adverse impacts on the environment?

6.2 Will the proposed project involve activities that are likely to have adverse impacts on the local community?

### **SECTION 7 – External References**

*Please provide a reference from each of the following in support of this funding request.*

7.1 Compact coordinator – Endorsed – Yes / No

7.2 Supply Chain (buyer or seller)

7.3 External

7.4 Community

**7.5 Other Comments/Considerations**

**Thank you for your time and interest!**
